

# KeyBank Commercial Credit Underwriting Analyst Program

Turn to Key for a rewarding career opportunity.

The Commercial Credit Underwriting Analyst Program is designed to build KeyBank risk professionals through intense training, work experiences, cross-functional experiences, robust feedback, and performance management.

Analysts will develop skills in credit risk, business analysis, and banking. A valuable capstone project is also assigned to provide analysts immense experience and exposure to presenting their new skills and knowledge to members of our Underwriting leadership team. Essential job functions include spreading and analyzing financial data, conducting period reviews of client credit relationships, testing data integrity, working with various systems and models, communicating with various credit and sales professionals, and conducting analyses and underwriting of existing and new credit transactions.

## What does the program offer?

- Executive Speaker Series
- 8-12-week foundational training in financial accounting, corporate finance theory, cash flow analysis, credit/risk analysis, valuation, business writing, business etiquette, advanced Excel,® and more
- Robust feedback and performance management
- One-on-one mentorship
- Exposure to and engagement with senior leadership
- Community involvement
- Team-building
- Additional in-role training and work in financial statement analysis, commercial credit structuring and underwriting

## What are we looking for?

- Bachelor's degree in Business, Finance, Economics or Accounting, or related job experience
- A minimum 3.3 GPA preferred
- Strong accounting and financial acumen
- Good analytical and decision-making skills
- Exceptional interpersonal and relationship-building skills
- Effective oral and written communication skills
- Strong knowledge of Microsoft® Office applications
- Ability to work independently and as part of a team
