

KeyBank Finance Rotational Analyst Program

Turn to Key for a rewarding career opportunity.

Our finance division acts as a strategic partner across all business segments by providing insightful financial information, performance analysis, and advice to help achieve superior revenue growth and foster the further development of Key's relationship strategy.

About the Rotational Analyst Program

As an analyst you will develop and learn financial skills that will enable you to become a trusted financial advisor to our internal clients. Rotations begin upon completion of the foundational training, and continue for 18-24 months. Rotations may include business finance, planning and performance management, investor relations, treasury, tax, and corporate strategy. Essential job functions include assisting in the development of financial projections and financial operations, building and utilizing financial models, preparing and analyzing financial reports, and measuring performance of a line of business.

What does the program offer?

- 10-week foundational training in financial accounting, corporate finance theory, cash flow analysis, credit/risk analysis, financial modeling, valuation, business writing, business etiquette, advanced Excel,[®] and more
- Robust feedback and performance management
- Mentorships
- Exposure to and engagement with senior leadership
- Community involvement
- Team-building
- Executive Speaker Series
- Placement, upon successful completion of the program, based on business needs, demonstrated skill, your interests, and performance during the program

What are we looking for?

- Bachelor's degree in Finance, Economics, or Accounting
- Relevant work or internship experience
- Demonstrated teamwork and leadership through extracurricular activities
- Strong financial and/or accounting acumen
- Good analytical and decision-making skills
- Exceptional interpersonal and relationship-building skills
- Effective oral and written communication skills
- Strong knowledge of Microsoft[®] Office applications, with an emphasis on Excel[®]
- Ability to work independently and as part of a team

About KeyBank

Cleveland-based KeyCorp (NYSE: KEY) is one of the nation's largest bank-based financial service companies, with assets of approximately \$135 billion.* Key companies provide investment management, retail and commercial banking, consumer finance, and investment banking products and services to individuals and companies throughout the United States and, for certain businesses, internationally.

Why KeyBank?

It's not just the company you work for that defines a great career. It's also the people you work with and the values they share.

Our culture. One of inclusion that values the unique talents, skills, and experience that diversity provides.

Our community. We have a strong sense of community. We are focused on helping clients and communities thrive.

Your opportunity. For personal growth, to do work that matters, and work in a place where our results are rewarded.
